

Congratulations Stamar Packaging Incorporated ,

The Small Business Commerce Association (SBCA) is pleased to announce that Stamar Packaging Incorporated has been selected for the 2009 Best of Business Award in the Industrial supplies category.

The SBCA Best of Business Award Program recognizes the best of small businesses throughout the country. Using consumer feedback and other research, the SBCA identifies companies that we believe have demonstrated what makes small businesses a vital part of the American economy. The selection committee chooses the award winners from nominees based off information taken from monthly surveys administered by the SBCA, a review of consumer rankings, and other consumer reports. Award winners are a valuable asset to their community and exemplify what makes small businesses great.
