

# Korrvu® Packaging Standard Program

*Protection, Versatility, Space Savings, Easy to Get Started*

## Korrvu® Packaging Standard Solutions

**Standard Designs**-Appropriate for a wide array of products without the custom design process.

**Fast and Easy Start**-Short lead-time for delivery of Korrvu® packaging inserts and outer cartons. No setup fees, tooling, or equipment required.

**Proven Protection**-Engineered pack solutions protect your product from shock and vibration.

**Maximum Versatility**-Resilient film conforms to a variety of shapes creating a one-size-fits-many solution.

**Space Savings**-Stores flat reducing storage requirements.

**Environmentally Sound**-Readily recyclable in corrugated hydropulping operations and RESY approved for recycling in Germany. Reusable for return shipments.
